KODAK

COLOR ENLARGEMENT

made by Kodak

MOUNTING [illegible]RGEMENTS: Use KODAK Rapid Mounting Cement for a rapid permanent bond. KODAK Dry Mounting Tissue may also be used. Follow directions on the label. Do not use rubber cement or paste containing water or penetrating solvents.

PLEASE NOTE: When color prints and enlargements are mounted behind glass, maintain a slight separation between the print surface and the glass.

MADE IN U.S.A.

KE 47955-X10
